

REGIONAL CENTRE FOR BIOTECHNOLOGY

Call for Summer Research Internship at RCB

Regional Centre for Biotechnology (RCB) is an institution of national importance, created by an Act of Parliament, established by Government of India through the Department of Biotechnology under the auspices of UNESCO. RCB has emerged as a pioneering institute for research in Biotechnology and is defining new horizons in providing world-class education, training and research at the interface of multiple disciplines for the benefit of mankind. RCB has a strong commitment to exploring new frontiers, furthering science and connecting revolutionary areas of Biotechnology through cutting-edge research.

Applications are invited from postgraduate and undergraduate students in their final year for Summer Research Internship at RCB from 15 May to 01 July 2018.

The interested students may send their request along with their resume and 200 words write-up on what motivates them for a career in research.

Applications may be sent rcb_summerintern@rcb.res.in by 25 April 2018.
