

REGIONAL CENTRE FOR BIOTECHNOLOGY

Six-Months to One Year Research Training Program

Applications are invited for six-months to one-year research training for the final year 4-year undergraduate or postgraduate science, BTech, and MTech students of Universities/ Institutions/ Colleges for the Academic session commencing from January 2027. The application must be forwarded by the Head of Department stating that dissertation is a requirement for completion of his/her BSc/MSc programme.

Please note that RCB does not provide any accommodation to the trainees. The students are expected to make their own accommodation arrangements for the entire period of the training. It is mandatory for trainees to attend the training for at least six months.

Selected candidates will undergo training under the supervision of members of RCB faculty. The scientists at the centre work in multiple disciplines at the expansive interface of life sciences and biotechnology. The details of the research work carried out at RCB can be seen on the website www.rcb.res.in.

Requirement for online application:

1. Your curriculum vitae (CV)
2. A forward/recommendation letter from the Head of the Department (In the attached format)
3. A brief description (750 words) of your research interest

Interested candidates should apply online by **October 30, 2026**. *Please note that applications will be considered only through the online mode.*
