

Advt No. 10/2018

Walk-in-interview for Field Operating Officer (Project) Position

Title of Project: Access to Macromolecular Crystallography Beamlines at ESRF, France

Duration: Initially for 12 months and may be extended after review for another period of 12 months or till the end of the project duration whichever is earlier.

Essential Qualifications: Ph.D. degree in Natural Sciences or Biotechnology, minimum 60 % marks in M.Sc or equivalent degree and below 40 years of age. Practical knowledge of Macromolecular crystallography as well as protein biochemistry are required. The candidate should have extensive experience in protein structure determination and crystallographic refinement. The candidate should have experience of collecting X-ray diffraction data at synchrotron sources, deposited structures in the Protein Data Bank and published structural data in International peer-reviewed journals.

Desirable Qualifications: The candidate should have the ability to assist PhD students and other users regarding X-ray diffraction data collection using synchrotron source. Experience in Macromolecular Crystallography beamline construction and commissioning is desirable.

Principal investigator: Dr. Deepak T. Nair, Associate Professor.

Fellowship: Rs. 52,000/- consolidated.

Walk-in-interview

Date: 16/04/2018

Time: 10.00 am

Venue: Regional Centre for Biotechnology, NCR Biotech Science Cluster, 3rd Milestone, Faridabad-Gurgaon Expressway, Faridabad 121001, Haryana. Phone: 129-2848800.

Interested candidates should appear for walk-in interview with all his/her certificates at the above address at 10.00 am on 16/4/2018 along with filled application form (attached here). Candidates who come after 11:00 am will not be considered.
