

**DBT - BIOTECH INDUSTRIAL TRAINING PROGRAMME (BITP)
UNDER DBT-SKILL VIGYAN**

Important Information for Companies

- a) Please send completed requisition form with requisite supporting documents via email to bitp.dbt@rcb.res.in.
- b) The bench fee shall be provided to trainer companies to cover the expenses towards training. Bench fee to trainer companies will be disbursed by DBT @ Rs. 23,350/- per candidate. The payment shall be made upon completion of training programme.
- c) Trainer companies are required to pay a minimum stipend of Rs. 9,000/- per month to each trainee for the period of training, as per apprenticeship norms.
- d) DBT will disburse a stipend @ Rs. 10,000/- per candidate per month. The stipend will be disbursed to trainees on completion of six months of training and successful completion of the assessment test. Apprentices who qualify the "Assessment" will be awarded "Apprenticeship Certificate" under National Skill Qualification Framework (NSQF) by the Sector Skill Council.
- e) Company can claim reimbursement of stipend from NAPS @Rs. 1,500/- per month per trainee.
- f) Eligible Educational Qualification
 - (i) B.E./ B. Tech Biotechnology
 - (ii) B.E./ B. Tech Bioinformatics
 - (iii) M. Sc. Biotechnology
 - (iv) M. Sc. Agri-Biotechnology
 - (v) M. Sc. Environmental Biotechnology
 - (vi) M. Sc. Food Biotechnology
 - (vii) M. Sc. Industrial Biotechnology
 - (viii) M. Sc. Marine Biotechnology
 - (ix) M. Sc. Medical Biotechnology
 - (x) M. Sc. Molecular & Human Genetics
 - (xi) M. Sc. Molecular Biology & Biotechnology
 - (xii) M. Sc. Neuro Sciences
 - (xiii) M. Sc. Plant Biotechnology
 - (xiv) M. Tech. Biotechnology
 - (xv) M. Tech. Food Biotechnology
 - (xvi) M. Tech. Industrial Biotechnology
 - (xvii) M. Tech. Marine Biotechnology
 - (xviii) M. Tech. Medical Biotechnology
 - (xix) M. Tech. Pharmaceutical Biotechnology
 - (xx) M. Tech. Biochemical Engineering & Biotechnology
 - (xxi) M. Tech. Bio- Process Technology
 - (xxii) M. V. Sc. Animal Biotechnology
 - (xxiii) MBA Biotechnology
- g) **Main fields of training (indicative list)**
 - (i) R&D
 - (ii) Production
 - (iii) Quality Control/Assurance
 - (iv) Management
 - (v) IPR
 - (vi) Clinical trials/Contract Manufacturing
 - (vii) Bioinformatics

- (viii) Bioethics
- (ix) Regulatory Affairs
- (x) Toxicology & Animal Studies

h) Area of Specialization (indicative list)

- (i) Agriculture Biotechnology
- (ii) Animal Tissue Culture
- (iii) Diagnostics
- (iv) Enzymology
- (v) Environmental Biotechnology
- (vi) Fermentation/Biochemical Engineering
- (vii) Immunology
- (viii) Microbiology
- (ix) Molecular Biology/Genetic Engineering
- (x) Molecular Bio-Physics
- (xi) Pharmaceuticals
- (xii) Plant Tissue Culture
- (xiii) Bioinformatics
- (xiv) Veterinary Sciences
- (xv) Virology
- (xvi) IPR
