

# Workshop on Molecular Neurobiology: From Genes, Neurons to behavior in health and disease

February 24-29, 2020 at Regional Centre for Biotechnology, Faridabad

Workshop on Molecular Neurobiology will explicitly focus on the current progress of Neuroscience and Neurobiology on health and disease issues covering various model organisms. Leading neurobiologists from India will discuss their recent emerging findings with their immediate clinical or translational relevance. There will be a further exchange of talks between students and experts on career in neuroscience and opportunity for in-depth interaction during the lab hours.

## Speakers:

Sanjay Sane (NCBS, Bangalore)

Krishanu Ray (TIFR, Mumbai)

Sandhya Koushika (TIFR, Mumbai)

James Clement (JNCASR, Bangalore)

Girish Ratnaparkhi (IISER, Pune)

Anindya Ghosh Roy (NBRC, Gurgaon)

Sourav Banerjee (NBRC, Gurgaon)

Deepak Nair (IISc, Bangalore)

Aurnab Ghose (IISER, Pune)

Kavita Babu (IISc, Bangalore)

Nitin Gupta (IIT, Kanpur)

Jonaki Sen (IIT, Kanpur)

Surajit Sarkar (DU, Delhi)

Collins Assisi (IISER, Pune)

Pankaj Seth (NBRC, Gurgaon)

Suhel Parvez (JHU, Delhi)

Nixon Abraham (IISER, Pune)

Amitabha Majumdar (NCCS, Pune)

Pushkar Sharma (NII, Delhi)

Gaurav Das (NCCS, Pune)

Guest seminar: Prof. Teiichi Tanimura  
(Nagoya University, Japan)

## Organizer :

Dr. Pinky Kain Sharma (RCB)

Email: [wmn2020@rcb.res.in](mailto:wmn2020@rcb.res.in)

To apply visit: [www.rcb.res.in](http://www.rcb.res.in)

Registration deadline:  
January 30, 2020

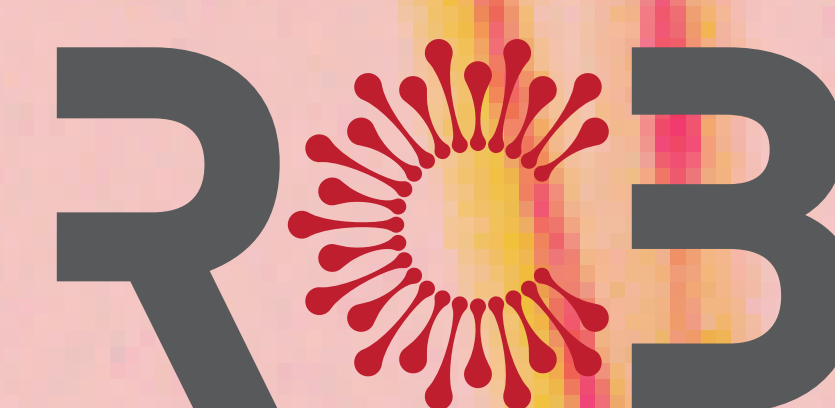

## Patrons :

Executive Director (RCB)

Registrar (RCB)

United Nations  
Educational, Scientific and  
Cultural Organization

क्षेत्रीय जैव प्रौद्योगिकी केन्द्र  
Regional Centre  
for Biotechnology
